

## **MOVEMENTTOCHANGE Mission**

Improve mental health & wellbeing by leading the way in healing and wellness through education, innovative products, and authentic service.

### **Experience the Audit The At Your Locale**

We know the distress because it is within the radius of our own experiences and we know how to use this knowledge in making the effort to create what is missing and then to rejoice with its achievement.

# HOW DO YOU STAND UP TO THESE QUESTIONS?

## Evaluate Your Results

1. What is the starting perception?
2. Are people and the good valued?
3. Are intentions aligned with action?
4. Are missing elements from the needed foundation being built?
5. Does the knowledge conveyed embody hope and integrate the pursuit of good?
6. Are meaningful results grown from previous unsuccessful actions?
7. Is powerful action (meaningful, growing, purposeful and good) being created?

## Find Your Essence

1. Who within the establishment pursues their passion for the good?
2. How are desires, needs, aspirations and pursuits understood?
3. What are the aspirations towards satisfying, seeking, interacting and functioning?
4. What is the ability to satisfy, seek, interact and function?
5. How are needs satisfied?
6. How are life's goals pursued?
7. What gets in the way?

*"A Destination Park establishment is a perfect place to utilize this experience survey because of the large variety of population that visit the grounds."*

*Help Desk Manager of the New York Botanical Garden*

## Achieve Healing & Wellness

1. Are human needs satisfied?
2. How are knowledgeable willing perspectives offered?
3. What do interactions look like?
4. How do each one and the collective view themselves and others?

*"The results of this in-depth survey motivates forces of good to uncover the core of the essence."*

*Paulina Magnetti,  
Bronx Provider Consumer Alliance Executive Director, MHANYS Board Member, NAMI Bronx Family and Advocate Director, TEC Board Member*

*"Taking this experience audit has been an eye opener to realize what I really have and what I can expect."*

*Resident of RiverWalk,  
An Independent Living Home*
